# INVITATION TO CIRCULAR ECONOMY WORKSHOP

ready2LOOP.org is a platform developed to support Danish Industry to accelerate the transition to a Circular Economy. With more than 500 manufacturing companies already engaged, we are now expanding the scope to include material providers.

We are delighted to invite you to join us at one of our upcoming workshops where you will get full access to the ready2LOOP platform to measure your readiness to effectively transition to Circular Economy. Inspiring cases will help to shed light on how other companies have begun to prepare for the Circular Economy.
